

**We're moving 100km
to raise funds for
Vision Australia**

Every dollar raised will support Australians with vision loss to move forward in life with confidence, including programs for kids and teens who are blind or have low vision.

**Sponsor our
school team:**

"I like knowing we're helping people to live their best lives. It's also pretty fun being part of a team to achieve a goal together. Even my teacher got involved!"
