

A night before Santa Fun Run

'Twas the nights before Santa Fun Run and all through
Melbourne town,

Festive outfits were getting ready, no one wore a frown.

Because good folks were buzzing with excitement and glee,

For a whole sea of running Santas (what a sight that
will be!)

And each night as the runners got snug in their beds,

Visions of November 22 danced in their heads.

They dreamt of the fundraising dollars they'd raise,

How it would make a difference to children in so
many ways.

If you want to join this jolly fun crew, sign up for Santa Fun
Run, it's easy to do!

It supports Vision Australia to give wonderful starts,

To kids with low vision, a cause close to our hearts.

Santa Fun Run, November 22
